

COLORADO LABOR CONDITIONS CONVENTION, DISPLAY, TRADE SHOW

All decorating, display and material handling labor related to conventions, trade shows, promotional displays and consumer shows is performed by the Official Service Contractor.

DISPLAY AND EXHIBIT WORK - INSTALLATION, DISMANTLING AND DECORATING:

Full-time employees of an exhibiting firm may install and dismantle their own respective company display, if such work can be completed in less than sixty minutes without the use of mechanized tools. Any outside or additional labor required for installation, dismantle or decorating of displays is to be performed by the Official Service Contractor or by any other party signatory to the IATSE, Local 7 under the guidelines established by the International Association of Expositions and Events.

MATERIALS DELIVERED TO OR PICKED UP FROM SHOW/JOB SITE:

All materials received, other than those in exhibitor owned vehicles as described below, will be handled by the Official Service Contractor. Please refer to the enclosed shipping instructions and material handling information.

EXHIBITOR OWNED VEHICLES:

Exhibitors, show organizers and other clients may handle their own materials which can be carried by hand by one person. Exhibitors may not bring or use carts, pallet jacks or other material handling equipment which would interfere with the operations of the Official Service Contractor. The above will be strictly followed.

All materials, other than exhibitor handled materials as described above, are chargeable as material handling will be handled through the Official Service Contractor. There are no storage facilities available for materials handled by exhibitors.

Space is limited at show site. To ensure the orderly move in and move out of the show, all docks and vehicle traffic are under the exclusive control of the Official Service Contractor. As conditions permit, space may be made available for exhibitor owned vehicles to load or unload. One person should remain with the vehicle at all times. Due to volume and time constraints, exhibitor owned vehicles must be capable of being loaded/unloaded within fifteen minutes.

Any questions should be addressed to the Official Service Contractor or show management.

To arrange for display labor or material handling, complete the enclosed order forms.
