

## Call for PAPERS

---

### General Information

We are cordially inviting you to contribute to your profession by sharing technical knowledge and business expertise with other industry professionals. We are looking for presentations and/or panel experts on the following topics as they pertain to the industry.

- SCADA & Control
- Vehicle Networking
- Data Gathering & Transmission
- Security

**The deadline for Application/Abstract is September 15, 2010**

Submitting your educational course idea is easy. All proposals must include the following:

1. 1-2 page abstract of the paper you will be presenting. (**\*Please omit any names, company or contact information on the actual abstract**)
2. Title of your presentation.
3. Courses are generally scheduled for 1 hour.

*If you have an idea for a panel discussion, please email Amanda Prudden, [amanda@entelec.org](mailto:amanda@entelec.org) with the name and title of the participants and a brief description of your idea.*

The ENTELEC Technical Committee uses graded criteria based on quality, technical content, and appearance. Papers that contain commercial content are greatly discounted.

**Important Rules and Regulations: If the program is chosen, presenter must agree to the following:**

- Presenter will present only educational information. **This session may not be used to promote or sell a product or service.** Attendees expect to learn how to build or expand upon their knowledge - NOT listen to a sales pitch for products or services.
- Presenter will incorporate meaningful visuals to illustrate their message. This may be in the form of slides, video clips, transparencies, outlines or role-playing.
- Presenter agrees to present a program that achieves the learning outcomes listed on the Presentation Submission Form.
- Presenter agrees to read the Rules and Regulations and agree, if my presentation is accepted to abide by all rules and regulations.
- **To receive a Call for Papers submission form in Microsoft Word format to submit via email, please e-mail [tiffany@entelec.org](mailto:tiffany@entelec.org)**
