

THE ENERGY TELECOMMUNICATIONS AND ELECTRICAL ASSOCIATION

## SPORTING CLAYS TOURNAMENT

November 9, 2022 | Westside Sporting Grounds

The ENTELEC Association and its members are excited to get back to together for the association's quarterly networking events! Join us in Houston, at the West Side Sporting Grounds, for the ENTELEC Fall Sporting Clays Tournament.

Regardless of your experience, the sporting clays tournament promises to be a great afternoon of networking, catching up with industry friends and colleagues, and a little friendly competition. Get your team together, or sign up as an individual and we'll place you with a team. Sponsorship opportunities are available and an excellent way to spend time with clients or prospective customers and build relationships in a fun and relaxed environment. All sponsorships include at least one team registration and we'll make sure your company is recognized at the highest level.
